This matter comes before the Public Service Commission of South Carolina (the Commission) by way of a Petition to Intervene Out of Time (the Petition) filed May 11, 1990, by Crandall Corporation (Crandall) whereby Crandall seeks to intervene in this matter, in opposition to the Application of Judy A. The Petition is based on allegations that Crandall was not aware of the existence of this proceeding until after the noticed period for filing Petitions to Intervene, that Crandall has a substantial interest in this matter, and that the addition of Crandall as a party herein would not substantially prejudice the interest of the Applicant as there are already two (2) other Intervenor in this matter. Answer to the Petition.

The Commission has considered the Petition and finds and concludes that Crandall has shown good cause why it should be admitted as a party of record herein. The Commission takes note of the existence of other intervenors herein, and finds that the addition of Crandall as a party of record will not substantially prejudice the rights of the Applicant in this matter. The Commission, therefore, finds that the granting of the Petition is in the public interest.

Accordingly, the Commission grants the Petition of Crandall and accords it status as a party of record herein.
